FORMAT FOR REVIEW ARTICLE

(Maximum word limit is 4500)

ABSTRACT:

It should contain approximately 250 words. It includes a summary of the review question, the primary study reviewed and conclusions of the study & Keywords (Minimum of 6). Note that you should not cite references in the abstract

MAIN ARTICLE:

Introduction: Write the topic of the study, which serves as the identification sentence. It should indicate what the article contains. Clearly outline the order in which every sub-topic will be discussed to give the reader background information needed to understand the sections in the article.

BODY: This includes the subtopics that you are addressing and discussion.

CONCLUSION: It should briefly state your rationale for your review and the purpose of the article.

REFERENCES: Use a standardized reference system. Use Vancouver style. (Maximum of 50-60)

FORMAT FOR CASE REPORT

(Maximum word limit is 2000)

It is expected that submitted Case Reports will include a detailed analysis of the case and a review of the available literature. Only those case reports which are truly original and are likely to significantly influence medical practice are considered for publication. Others may be considered for publication in an abbreviated form as a letter to the editor.

ABSTRACT: A brief abstract about case & keywords (Minimum of 6)

INTRODUCTION: Introduction about subject

CASE REPORT: Case report explained in detail

RESULTS & DISCUSSION: Scientifically discuss the results achieved from the case

CONCLUSION: It should briefly state the achieved conclusion for your case report.

REFERENCES: Use a standardized reference system. Use Vancouver style. (Minimum 10 to Maximum 15)

FORMAT FOR SHORT SURVEY / COMMENTRY

(Maximum word limit is 1500)

Author's Name

- Full name of the authors
- Designation with Department, Institution, full address, contact number & Email address

ABSTRACT: Maximum 250 words

Sections:

- Objective
- Methodology
- Results
- Conclusion
- Keywords (Minimum of 6)

MAIN ARTICLE: *Less than 1750 words (for original article)*

Sections:

- Introduction
- Methodology
- Results
- Discussion
- Conclusion
- Conflict of interest
- Funding
- References (*Vancouver style and should be mostly from last 5 years*(Minimum 10 to Maximum 15))

FORMAT FOR LETTER TO EDITOR

(Maximum word limit is 1000)

Letters written to the editor or the author should contain objective, and constructive interpretations or discussions on medical, scientific or general areas of interest.

They should have an objective, and give a message with a brief and clear language.

REFERENCES: Use a standardized reference system. Use Vancouver style. (Minimum 05 to Maximum 10)
