# Interaction

with Nobel Laureates  
in Lindau, Germany

7<sup>th</sup> Meeting on Economic Sciences: 25-29 August 2020

70<sup>th</sup> Interdisciplinary Meeting: 28 June - 3 July 2020

### IMPORTANT DATES

Application Deadline  
29 September 2019

Interviews (Interdisciplinary)  
9 October 2019

Interviews (Economics)  
10 October 2019

A unique opportunity for talented graduates and young researchers to enhance their knowledge, establish new contacts and discuss relevant topics through interaction with 40 to 50 Nobel Laureates and more than 600 scientists from all over the world. The details are available online at [www.lindau-nobel.org](http://www.lindau-nobel.org). Visit to some advanced research centres in Europe is also a part of this program.

The program is supported by Higher Education Commission (HEC), Pakistan Atomic Energy Commission (PAEC), and Council of Nobel Laureates Meetings in Lindau (Germany). Pakistani nationals studying or working in Pakistan, and fulfilling the following eligibility criteria can apply. The program provides return air ticket and boarding & lodging for one to two weeks in Germany.

### ELIGIBILITY

- 15 years education (Physics, Medicine, Chemistry, or Economic Sciences)
- Researchers with throughout first class academic career
- Age up to 30 years in general, and 35 years for researchers including PhD holders / scholars
- Post-docs should have published outstanding research papers in widely recognized academic journals

### SELECTION

- Preference will be given to the candidates who have top positions in board or university examinations, and have published their research.
- Short-listed candidates shall be interviewed in Islamabad.
- Nominations of suitable candidates shall be forwarded to the Lindau Council in Germany who will make the final selection.

Application forms and other details are available at [nobel.pieas.edu.pk](http://nobel.pieas.edu.pk). The completed applications should reach the following address by the deadline. An advance copy may also be sent through email, as attached files, at [PakLindau@pieas.edu.pk](mailto:PakLindau@pieas.edu.pk)

## INTERACTION

With Nobel Laureates in Lindau, Germany

7<sup>th</sup> Meeting on Economic Sciences 25-29 August 2020

70<sup>th</sup> Interdisciplinary Meeting 28th June- 3rd July 2020

The Details are available online at: [www.lindau-nobel.org](http://www.lindau-nobel.org)

# UNDERGRADUATE SEMESTER EXCHANGE PROGRAM FOR PAKISTAN 2019

## 2019 UNDERGRADUATE SEMESTER EXCHANGE PROGRAM FOR PAKISTAN

The United States Educational Foundation in Pakistan (USEFP) is pleased to announce the 2019 Undergraduate Semester Exchange Program for Pakistan.

The Undergraduate Semester Exchange Program is intended to promote mutual understanding between the people of the United States and the people of Pakistan. It provides full-time undergraduate students from Pakistan with the opportunity to enrich their education and experience through one semester of full-time, non-degree academic study in the United States. The program will also expose students to the practices of social responsibility in the United States through a community service component.

### Grant Benefits

- Round-trip airfare
- Tuition and fees
- Housing and meals
- Accident and sickness coverage
- A limited allowance for books
- Monthly subsistence allowance

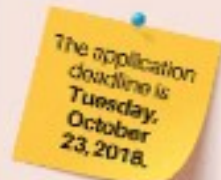

### Eligibility Criteria

- Pakistani citizens
- 20 years or younger
- Currently enrolled in a college or university in Pakistan and committed to returning to that institution following the completion of the program
- In their 1<sup>st</sup> or 1<sup>st</sup> year of formal education
- Applicants who require financial assistance must include a letter of support with application

### Ineligibility

- Dual U.S./Pakistani national or U.S. permanent residents
- Those who have a parent, or spouse who is a U.S. citizen, permanent U.S. resident or has pending U.S. immigration
- Employees of the Fulbright organization, the U.S. Department of State, or USAID and their spouses, children, fiancés, siblings, dependents, and parents
- Students in the final year of university

Women, people with disabilities, and individuals from FATA, Khyber Pakhtunkhwa, AIZ, Gilgit Baltistan, Balochistan, Northern Sindh, and Southern Punjab are highly encouraged to apply.

### Please Note

Applications must be submitted online. Paper copies will not be considered. All application materials including degrees, transcripts, certificates, must be uploaded with the online application. Reference letters will only be required from applicants after they have been selected for the program.

### To Apply

To complete and submit application online, visit our website: [www.usefpakistan.org/USOAE](http://www.usefpakistan.org/USOAE) For more information, Email: [undergraduate@usefpakistan.org](mailto:undergraduate@usefpakistan.org) Tel: 051-8421300

Registration or non-response from an applicant will lead to disqualification at any stage of the program.

# CALL FOR RESEARCH PROPOSALS

## CALL FOR RESEARCH PROPOSALS

### Pak-France PERIDOT Research Programme – Phase VI 2019-20

The Higher Education Commission (HEC) invites joint research proposals from Pakistani faculty members of public and approved private universities for HEC funding in the following four areas under Pak-France PERIDOT Research Programme:

Environmental Sciences (including but not limited to water, climate change, pollution, etc.)

Health

Energy (including but not limited to sustainable alternate energy)

Human and Social Sciences

The programme is one of the upshots of French-Pakistani cooperation within the scope of internationalisation effort of higher education systems. It is implemented in France by the Embassy of France in Pakistan and in Pakistan by the Higher Education Commission (HEC), Pakistan to support the academic/research activities.

The objective of this programme is to develop new scientific and technological cooperation between French and Pakistani higher education institutions by supporting the mobility of graduate students and academic staff.

#### How to apply

- Applicant must hold a faculty position in HEC recognized public or approved private universities for HEC funding.
- Pakistani researcher/PI is to identify the French partner.
- Projects to be submitted on prescribed form available at HEC website: <https://hec.gov.pk/site/periodot>
- Partners must submit the Project simultaneously in Pakistan and France.
- French counterparts will submit applications online at Campus France website while Pakistani researchers will submit the same application (three sets) at the address given below and by email.
- Maximum one research project can be submitted by one principal investigator for funding.
- The application completed in all aspects should reach the following address by November 15, 2019 before 1700 hours PST.

Assistant Director (BMP-R&D Division)  
**Higher Education Commission**  
 Sector H-9, Islamabad. UAN: 111-79-432(HEC)  
 E-mail: [infoperidot@hec.gov.pk](mailto:infoperidot@hec.gov.pk)

## Call For Research Proposals

### Pak-Turk Researchers' Mobility Grant Programme 2019-20

The Higher Education Commission (HEC) invites joint research proposals from Pakistani faculty members of public and approved private universities for HEC funding in the following six areas under Pak-Turk Researchers' Mobility Grant Programme:

Energy Technologies

Food Technologies

Sustainable Environmental Technologies

Material Science

Robots and Smart Systems

Smart Transportation Systems

The programme is one of the upshots of Turkish-Pakistani cooperation within the scope of internationalisation effort of higher education systems. It is implemented in Turkey by the Council of Higher Education (CoHE) and in Pakistan by the Higher Education Commission (HEC) to support the academic/research activities.

The objective of this programme is to develop new scientific and technological cooperation between Turkish and Pakistani higher education institutions by supporting the mobility of graduate students and academic staff.

#### How to Apply

- Applicant must hold a faculty position in HEC recognized public or approved private universities for HEC funding.
- Pakistani researcher/PI is to identify the Turkish partner.
- Projects to be submitted on prescribed form available at HEC website: [www.hec.gov.pk/site/ptmg](http://www.hec.gov.pk/site/ptmg)
- Partners must submit the Project simultaneously in Pakistan and Turkey.
- Partner universities are required to sign Mevlana Exchange Programme Protocol for Turkish side.
- Maximum one research project can be submitted by one principal investigator for funding.
- The application completed in all aspects should reach the following address by November 15, 2019 before 1700 hours.

Assistant Director (BMP-R&D Division)  
**Higher Education Commission**  
 Sector H-9, Islamabad. UAN: 111-119-432(HEC)
