## Section A: Administrative Information

### 1. Project Title

(Concise, descriptive, and innovation-focused)

### 2. Grant Call Reference Number/ Application Number

(For ORIC use)

### 3. Principal Investigator (PI)

- Full Name:
- Designation:
- Department / Institute:
- Faculty:
- ORCID ID (if available):
- Email Address:
- Contact Number:

### 4. Co-Principal Investigator(s) / Co-Investigator(s)

(Attach additional sheet if required) –

Name:

Designation:

Department:

Role in Project:

### 5. Research Category

(Please tick one) - ☐ Basic / Fundamental Research

- ☐ Clinical / Biomedical Research

- ☐ Public Health / Health Systems Research

- ☐ Translational / Applied Research

- ☐ Interdisciplinary / Multidisciplinary Research

## Section B: Project Summary

### **6. Executive Summary (Maximum 300 words)**

Provide a clear overview of the problem, innovation, objectives, methodology, and expected outcomes.

### **7. Problem Statement / Research Gap**

Describe the unmet need, gap in knowledge, or problem your project addresses.

## Section C: Innovation and Originality

### **8. Innovative Aspect of the Project**

Explain what is novel about the proposed research compared to existing work.

### **9. Potential for Translation / Commercialization / Policy Impact**

Describe pathways for implementation and commercialization.

## Section D: Aims/ Objectives and Research Questions

### **10. Aim (s)**

### **11. Specific Objectives**

(List 3–5 clear, measurable objectives)

### **12. Research Questions / Hypotheses**

## Section E: Methodology

### **13. Study Design**

(e.g., experimental, observational, laboratory-based)

### **14. Study Setting and Population / Materials**

### **15. Sampling Strategy / Sample Size (if applicable)**

### **16. Data Collection Methods**

### **17. Data Analysis Plan**

(Statistical methods, software, qualitative analysis approach)

## Section F: Ethical Considerations

### **18. Ethical Approval Status**

- ☐ Not required
- ☐ To be obtained
- ☐ Approved (Attach approval letter)

## 19. Ethical Issues and Risk Management

### Section G: Work Plan and Timeline

#### 20. Project Duration (Months):

#### 21. Gantt Chart / Milestones

(Attach or summarize key phases and deliverables)

### Section H: Budget and Justification

#### 22. Total Budget Requested (PKR):

#### 23. Budget Breakdown

Budget Head	Amount (PKR)	Justification
Personnel		
Equipment		
Consumables		
Travel		
Miscellaneous		
Total		

#### 24. Institutional / External Co-Funding (if any)

### Section I: Expected Outcomes and Impact

#### 25. Expected Scientific Outputs

(e.g., publications, patents, datasets, prototypes)

#### 26. Capacity Building

(e.g., student training, infrastructure development)

## **27. Long-Term Impact**

(Health, societal, economic, or policy impact)

## Section J: Sustainability and Risk Assessment

### **28. Sustainability Plan**

### **29. Potential Risks and Mitigation Strategies**

## Section K: Dissemination Plan

### **30. Dissemination Strategy**

(e.g., conferences, journals, stakeholder engagement, policy briefs)

## Section L: Declarations and Signatures

### **31. Conflict of Interest Declaration**

I declare that there is no conflict of interest related to this proposal.

**32. Principal Investigator Signature:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**33. Head of Department Signature** \_\_\_\_\_ **Date** \_\_\_\_\_

**34. Dean Endorsement:** \_\_\_\_\_ **Date:** \_\_\_\_\_
