SDG. 9- Industry, Innovation, & Infrastructure

2024

LIAQUAT UNIVERSITY

OF MEDICAL & HEALTH SCIENCES
JAMSHORO

Liaquat University of Medical and Health Sciences (LUMHS) actively contributes to Sustainable Development Goal 9, which emphasizes building resilient infrastructure, promoting inclusive and sustainable industrialization, and fostering innovation. The university has developed **state-of-the-art facilities**, including advanced laboratories, research centers, teaching hospitals, and digital learning environments that support scientific advancement and innovation in health and allied sciences. LUMHS encourages research and innovation among faculty and students through funded projects, collaborations with national and international institutions, and participation in conferences and innovation fairs. The university's infrastructure is continuously upgraded to integrate modern technology, such as telemedicine, e-learning platforms, and renewable energy systems, to enhance service delivery and sustainability. Moreover, LUMHS contributes to local and regional development by partnering with industries, government bodies, and NGOs to strengthen healthcare systems and community health infrastructure. Through its commitment to scientific progress, capacity building, and technological advancement, LUMHS plays a significant role in promoting innovation-driven growth and supporting the objectives of SDG 9.
